4 committee which shall be composed of ten members of the general  
5 assembly, consisting of five members from each house, to be  
6 appointed by the legislative council. In appointing the five

8 appoint three members from the majority party and two members  
9 from the minority party.

10    *b.* The legislative tax credit review committee shall have  
11 the powers and duties described in section 2.49.

12    Sec. 2. NEW SECTION. 2.49 **Legislative tax credit review**  
13 **committee.**

14    1. *Duties of committee.* The legislative tax credit review  
15 committee shall do all of the following:

16    *a.* Evaluate each tax credit listed in subsection 3 according  
17 to the guidelines set forth in subsection 2 and assess its  
18 equity, simplicity, competitiveness, public purpose, adequacy,  
19 and extent of conformance with the original purpose of the  
20 legislation that enacted the tax credit, as those issues  
21 pertain to taxation in Iowa. For purposes of this section, "*tax*  
22 *credit*" includes any tax credit or other tax incentive listed in  
23 subsection 3 or provided under a program listed in subsection  
24 3.

26 a report to the legislative council containing the results  
27 of the review. The report shall contain a statement of the  
28 policy goals of the tax credit and shall attempt to calculate a  
29 return on investment for each tax credit, unless the committee  
30 determines such a calculation is not within the capabilities  
31 of the committee. For purposes of this paragraph, "*return*  
32 *on investment*" means the net value, if any, provided to the  
33 state by a tax credit after analyzing the cost to the state  
34 against the benefit realized by the state of offering that  
35 particular tax credit. The report may include recommendations

1 for better aligning tax credits with the original intent of  
2 the legislation or with the changing circumstances of the  
3 state, or recommendations for the imposition of a limitation  
4 on a specified tax credit, a limit on the total amount of tax  
5 credits, or any other recommendation for a specific tax credit  
6 or the program under which the tax credit is provided.

7     2. *Public meetings.*

8     a. The committee shall conduct reviews of each tax credit  
9 listed in subsection 3 using a public meeting format that  
10 invites substantial and meaningful input and comment from both
